

I AM URGING THE FCC TO REJECT THE NAB'S PAETITION 04-160 AND SUPPORT XM'S ABILITY TO PROVIDE THE KIND OF PROGRAMMING THAT WE DEMAND AND DESERVE. I HAVE BEEN LISTENING TO XM FOR ONE YEAR NOW. I NO LONGER LISTEN TO ANY OTHER TYPE OF BROADCASTING, BECAUSE THEY DO NOT MEET MY NEEDS.

I AM AN OVER THE ROAD TRUCK DRIVER AND LISTEN TO MY XM CONTINUOUSLY. THE WEATHER AND TRAFFIC REPORTING ALLOWS ME TO PLAN MY ROUTES LONG BEFORE I GET TO A LOCAL AREA. I CAN ALSO ADVISE FRIENDS WHO DO NOT HAVE THE XM.

I CAN ALSO KEEP A CHECK ON WHAT IS GOING ON AT HOME. EVEN THOUGH I MAY BE MILES AWAY.

I AM HAPPY TO PAY FOR THIS SERVICE EVERY MONTH, BECAUSE I FEEL IT IS WORTH IT.
